Directions & Parking Information

888 Parking Structure

To enter the parking structure, you will be driving on Figueroa St (a one-way street going North); the parking entrance will be on the right side of the street, between Wilshire Blvd and 6th St. (As a point of reference, there is usually an “Early Bird” sign located just AFTER the bus stop.... turn into our parking entrance there.)

Parking is located under our building via the driveway next to the Chase ATM on Figueroa St.

Please do not confuse the #811 Figueroa St - 4 level parking structure located before our parking garage. We are the next driveway going under the building before 6th St.

You may leave your car with the valet and take the elevator to the lobby. **The 7th floor is locked.** The security guard will give you elevator access to the 7th floor. If security is unavailable to greet you, please call the office at 213-362-7600.

Please be advised that there is a limited number of parking spaces available in our parking structure. These spots will be validated and are available on a first-come, first-served basis.
