*Please note that this is a preview of the questions which are asked in our online Letter of Inquiry (LOI). We have provided this editable version for you to use as you prepare your answers. To submit an LOI, please visit [www.rmpf.org](http://www.rmpf.org) to complete the online version.*

### **Introduction**

Thank you for your interest in The Ralph M. Parsons Foundation, and for your efforts to improve the lives of Los Angeles County residents. We want to help you do your very best work. Before you submit a Letter of Inquiry (LOI), we encourage you to take a look at the Foundation's website at [www.rmpf.org](http://www.rmpf.org). Please review our funding priorities, searchable grants database, and FAQs to determine whether your request is a good fit for the Foundation.

### **Helpful Tips**

1. Add [mail@grantapplication.com](mailto:mail@grantapplication.com) to your safe senders list to ensure you receive all system communications. Please note that the Foundation does not receive messages sent to [mail@grantapplication.com](mailto:mail@grantapplication.com), but can be reached at [grantsadmin@rmpf.org](mailto:grantsadmin@rmpf.org).
2. Download a Word document version of this LOI application from our "How to Apply" page and use this to prepare your answers.
3. When you are ready to transfer your answers to the application portal, save your work often so that information is not lost as you copy and paste; your web browser may automatically log you out without warning after a certain amount of inactivity.
4. Please limit use of bullets and other formatting, as these features typically do not present correctly once the application is submitted.
5. Approximate word counts are provided for each application question; however, additional space is provided for your use as needed.
6. Avoid using the back button in your browser to navigate through the application.
7. There are options to view a "printer friendly" version of your application or email a draft of the application in the upper-right corner of the screen.
